

STOCKBOY LICENSE AGREEMENT

Your month-to-month maintenance agreement with StockBoy Services conveys to you the right to utilize the StockBoy Retail Management Software software for an unlimited period of time. All other rights of authorship, including re-distribution and reproduction, are specifically reserved by StockBoy Services. Copyright is filed for 1983-2026.

Your use of the software is limited to the procedures that are included in the structured flow of the programming; you may not modify, alter, delete, merge, or reverse-engineer the software, and you may not remove or obscure any copyright or trademark notices. This software is protected by United States copyright law. You may NOT duplicate, copy, transmit, or otherwise electronically transfer this software, nor allow it or cause it to be duplicated in any fashion.

StockBoy Services warrants that the StockBoy software is free from defects in workmanship for every one month period the maintenance plan is in effect. These defects are restricted to identified programming errors reported within the limited warranty period, and specifically do NOT include any perceived omissions or logic failures.

The entire and exclusive liability and remedy for breach of this Limited Warranty shall be limited to repair of defective software components, and shall not include any claim or right to recover any other damages, including but not limited to, loss of profit, loss of data, loss of the software, or any other special damages, even if StockBoy Services has been specifically advised of the possibility of such damages. In no event will StockBoy Services assume liability for any claim beyond the limit of the monthly maintenance fee, regardless of the form of the claim.

STOCKBOY SERVICES SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR SUITABILITY FOR A PARTICULAR PURPOSE.

The StockBoy software is sold 'as is'. While every effort has been made to create a full-featured, high quality business application system, StockBoy Services makes no guarantee or warranty that the software will fill any specific business solution.

No verbal claims or representations from any person shall be in any way construed to constitute an addendum or abridgement of the warranties contained herein. The only true definition of the features and procedures of the software is contained in the StockBoy System Reference Manual and any subsequent communications regarding new features or modifications.

This Limited Warranty gives you specific legal rights; you may have other rights which may vary from state to state. Some states do not allow the exclusion of incidental or consequential damages, or the limitation on how long an implied warranty lasts, and therefore some provisions in this license agreement may not apply to you.
